

Mostly a long scrolling site, but separate pages for some sections.

This section photos slide between all 6 Shopping categories: Smalls, Shaker Boxes, Wood Boxes, Cabinets, Frames and Patterns.

CLICK on word SHAKER BOXES (or whatever photo) takes you to specific product page)

Clicking on Shop ALL takes you to a separate GENERAL SHOP page, where all categories are listed.

About section goes nowhere, no links.

Photos of product as used by customers and designers

Clicking thumbnail here toggles Sample Photo in the large above box

Click on View takes you to a separate page gallery with lots more photos.

Click on Blog takes you to separate blog page for latest news.

Contact section doesn't lead to another page.

Clicking on download brings up PDF file for these two items.

Footer: social media links, payment types, logo.

Terms, Policy and Shipping etc. leads to one single page with all information together, regardless of which of them you click.

Clicking on category collapse/expand sub-categories

Available colors: clicking on a different color box will take you to that page with that box description.

Size and Quantity are dropdowns.

Even though this is the detail for the 6" box, a customer can pick another size in this color without having to go to another page.
